

Curriculum Vitae

Dr. STEFANO CURTARELLO

Graduated in Dentistry and Dental Prosthetics at the University of Milan - Department of Medicine and Surgery - in 1991.

For many years he focused on conservative, endodontics, prostheses, oral surgery and implantology, working as advisor at several dental clinics.

In 2004/2005 he attended the specialization course in “Clinical Implantology and Biomaterials” at the Gabriele d’Annunzio University, Chieti-Pescara, Department of Medicine and Surgery. In 2005/2006, at the same Department, he attended the refresher course “Electrowelded Implantology”.

In 2008/2009 he attended the specialization course in “Instrumental Assessment of the Stomatognathic Apparatus: Theory and Practical Applications” at the University of Milan, Department of Human Morphology and Biomedical Sciences. In 2009, he gained the title of “Hypnologist” at the Post-Graduate school of Clinical and Experimental Hypnosis (CIICS). In 2010/2011 he took part as lecturer in the course of “Functional Physio-Integrated Implantology” at the University of Sassari. In 2014 he attended the post-graduate specialization course in “Advanced Implant Treatments” at the University of Modena and Reggio Emilia.

Dr. Curtarello mainly dedicates himself to implantology, using non-invasive surgical techniques in accordance with the principles of functional implantology. Since 1992 he has been collaborating with Prof. Giorgio Lorenzon.
